## Bonus #2

**Opened:** Monday, 6 May 2024, 2:00 PM

**Due:** Sunday, 19 May 2024, 11:59 PM

Please, find the python notebook for the bonus assignment here: [link](#).

In this task you must extend FedGD towards neural networks using PyTorch. The grading is based on the achieved performance and described in details in the notebook.

Submit your python notebook in .ipynb format.

Remember to join [Slack channel](#) to discuss the assignment.
